Informal / Ongoing

Photography, Photoshop, Graphic & Web Design
Through self guided learning I have a good understanding of DSLR Photography, Lightroom, Photoshop CS5, Graphic & Web Design.

Clinical Educator & Communication Skills

CORPORATE

I have worked with many companies to improve the customer service, conflict resolution, interview skills etc. of both front line staff and management level employees.

MEDICAL

I have extensive experience as both a simulated patient and relative. I have worked with many sectors of the NHS with health care professionals at all experience levels.

PSYCHIATRIC

I have worked with psychiatrists from student through to consultant level. I have been asked many times to be part of the Royal Collage of Psychiatry exams as well as train psychiatrist all over the United Kingdom as well as in Cairo, Hong Kong and Dublin. I am recognised as a leading authority in psychiatric patient simulation.

END OF LIFE

I have worked nation wide with many cancer networks to train palliative care/health care professionals in dealing with end of life scenarios. These have included day seminars and residential retreats.

FACILITATION

In addition to the various role-play experience listed above, I am also an experienced facilitator and have lead countless sessions and workshops with participants of varying experience levels.

Skills

Workshop Leader

Confidant and experienced in leading day long, week long and ongoing workshops in theatre, communication, devising and more with participants of ages ranging from young adults through to pensioners.

I.T.

I am experienced with Mac OSX, iOS and iLife/Core Apps, MS Word, Excel, Powerpoint.

Communication

Internationally recognised expert in Communication Skills. Experienced in giving complex information, conflict resolution, breaking bad news, end of life scenarios etc. Confidant leading group learning and giving feedback in a variety of styles.

Digital Creativity

A good understanding of DSLR photography, post processing (Photoshop & Lightroom), graphic design (publicity material, graphic elements, stationary, page layouts), web design (Dreamweaver, HTML, Wordpress).

Marketing

Online and offline marketing of events, companies and brands including writing press releases, newspaper/radio interviews, social networking, blogging, poster design, crowd funding etc.

Customer Service

Customer focused approach. Using an excellent communication skill set, a desire to understand and help lets me meet and exceed customer expectations. Experienced in problem solving and conflict resolution.

Writing

Comfortable writing in academic, business, technical and informal styles.

Other

Office skills, basic book keeping, budgeting, self motivation, an eagerness to learn.
